

ERMITAGE GSTAAD-SCHÖNRIED

The official festival hotel
of the Menuhin Festival Gstaad

Official Festival Hotel since 2011

Since 2011, the ERMITAGE Gstaad-Schönried has proudly served as the official festival hotel of the Menuhin Festival Gstaad, accompanying the festival as a longstanding partner.

Located in Schönried above Gstaad, the hotel offers festival guests a peaceful retreat just minutes from the concert venues. After an evening performance, the ERMITAGE Wellness- & Spa-Hotel provides the perfect setting to reflect on the musical experience. Warm hospitality and attentive, personalised service ensure that every guest feels welcome from the moment they arrive.

Tailored to Festival Guests

Throughout the festival, guests benefit from preferred access to concert tickets, a shuttle service to selected performances, and exclusive access to the ERMITAGE Lounge in the festival tent. Whenever the concert schedule requires it, the hotel's service hours are adjusted

where possible to align with performance times, allowing guests to combine an evening at the concert with a relaxed dining experience.

Time to Unwind

The peaceful setting amid the mountains of the Saanenland, together with the hotel's extensive wellness and water world, beautifully maintained gardens, and cuisine focused on regional and seasonal ingredients, creates the ideal environment to recharge and enjoy a relaxing stay.

The Menuhin Festival Gstaad and the ERMITAGE Wellness- & Spa-Hotel complement one another naturally. One celebrates outstanding musical performances, the other offers genuine hospitality and a place to arrive, unwind and feel at home. Together, they provide the ideal setting for guests wishing to combine culture, nature and relaxation.
